PRINCIPAL'S REPORT

This will be the last newsletter for 2018. It has been a super busy year with lots of achievements across the school. I want to acknowledge my staff – all of the teachers, support staff, administration staff, grounds staff and cleaners for all of their work this year. Each and every one of them puts in time and effort beyond their job description to do the best for students.

I want to particularly acknowledge my Executive team for all of their work. Whilst all of my staff work hard the executive carry a lot of extra responsibility.

I wish Mrs Formby well as she takes next year off on leave. She has been planning this for a long time and I know she will enjoy her time to herself. Mrs Formby is a very hard working deputy principal, dedicated and caring and we will miss her leadership.

We also say farewell to Mrs Alvarez as she accepts a transfer to Blue Haven PS. Mrs Alvarez has been with us for 9 years and we appreciate all that she has done during that time. She has been a great contributor to our Aboriginal programs and also to sport through her organisation of the K – 2 athletics carnival.

To our families I also say thank you. Thank you for your support and involvement in our school.

To our families that celebrate Christmas I wish you all of the joy for the season and to all of our families I hope you have a safe and happy holiday.

Last day for students – **Wednesday 19th December.**

Return Information for 2019

Students (Yrs 1 – 6) return on **Wednesday 30th January**. Students will meet in the COLA and line up in their old class lines at bell time.

The school office will be open on Tuesday 29th January. The uniform shop will also be open on Tuesday and Wednesday mornings from 8.30 – 9.30.

Students will return to their 2018 classes for a short time whilst we check our numbers and ensure we don't have to rearrange classes. Once everything is confirmed students will move to their new class, hopefully by Monday 4th.

Congratulations to our Award Winners

Congratulations to all of the students receiving awards in recognition of their achievements this year. Selecting award winners is always a hard job and teachers often say to me could I please give an extra award.

Congratulations to all students on their achievements this year.

Reports

Semester two reports were issued on Monday. If you have not received your report please contact the school office and they will provide a copy.

Thank You Helpers and Volunteers

**Thank
You**

At Terrigal we are lucky to have so many people willing to help make our school a great school. This week we held a morning tea for those helpers and volunteers but I know there were others that were unable to make it.

Thank you to Nic and her P & C team. We are fortunate to have such a dedicated team willing to work with the school to continually improve what we are doing.

Thank you to Lyn, Mandy and her team of canteen volunteers. We greatly appreciate your efforts in providing healthy food every day.

Thank you to Jan and the uniform team for your work in making students look good.

Thank you to Colette and Natasha for doing our student banking each week.

Thank you to our scripture and ethics teachers for volunteering your time to nurture our students' thinking and spirituality.

Thank you to our many classroom helpers, sport helpers, kitchen garden helpers, support unit helpers and all of those who help around the school in other ways.

Farewell and Good Luck Year 6

Next Monday our Year 6 students will graduate from their primary schooling. Congratulations to all students on finishing their primary schooling. I wish them well as they move to High School.

The Year 6 students will also enjoy their farewell event on Monday night. Thanks to Mrs Haines and her band of parent helpers for their work on the farewell.

K – 2 Concert

Congratulations to all of the students and teachers involved in putting together the K – 2 concert. Students were amazing and it was a fun way to finish the year.

A special thank you to Miss Williams and Mrs Satori for co-ordinating the concert. Thanks also to the 'techy team', each stage crew, K-2 staff and our wonderful 4 Yr 2 students for their comparing of the show.

Student Success at Terrigal HS

Last night I had the pleasure of attending the Terrigal High School Presentation evening. It was great to see so many ex-Terrigal PS students receiving awards and other recognition.

Our links with Terrigal High School create a strong pathway for students to succeed from Kindergarten through to Year 6.

Premier's Reading Challenge

Congratulations to Abby, Bethany, Kara, Kylie and Zach on achieving their gold ward in the Premier's Reading Challenge.

Thank you Terrigal Uniting Church

Terrigal Uniting Church is a great supporter of our school. Once again this year they have provided some vouchers for us to support some of our families. We thank them for their ongoing support.

ETHICS

SPECIAL EDUCATION IN ETHICS

November 1st, 2018.

Dear Parents and Carers,

At Terrigal Public School we offer ethics classes during special religious education (SRE) times for students who choose not to attend SRE (scripture) classes. At the moment we are unable to meet the demand for these classes and hence Primary Ethics needs your help.

We are looking for volunteers to help be a part of the team and become an Ethics teacher at Terrigal Public School. You will need to be available for 40 minutes each Tuesday. Training is offered by Primary Ethics. If you are interested please feel free to contact Kim Bethune on the details below.

Unfortunately without the continued support from volunteers we will be unable to run these valuable classes for students.

In ethics classes students use dialogue and discussion to learn how to think about ethical matters through the give-and-take of reasoned argument. An overview of topics covered during classes can be found at <https://primaryethics.com.au/>.

Kind regards,

Ms Kim Bethune

Last day of school

We will be open on Wednesday 19th December – the last day of school for students – however we will also be trying to clean the canteen on this day, and we will be ‘running down’ our stock leading up to this, so not everything will be available.

Flexischools will not be available on this day, over the counter orders only, so we can discuss what we have left with the students and amend their orders if we need to. Thanks in advance for your understanding!

We wish all of you a happy holiday and all the best for the New Year.

Thanks again to all of our wonderful volunteers that have helped us out through the year!

Canteen Reimbursements

The canteen provides lunch, with parental permission when possible, for children that have nothing to eat for the day.

We do this in good faith and hope that you will reimburse the canteen for the cost of this provision. We send home a note to let you know what the cost of this was, to allow you to reimburse us for this.

As the canteen is a service offered by the P&C, with any profits returning to the school and the students through P&C funded activities, we ask that you reimburse any outstanding amounts before the end of the year.

We have recently sent out reminders for those outstanding amounts, as we understand that life is busy and notes go astray! You can reimburse us by paying cash at the counter, or on Flexischools (under lunch menu ‘extras’) – whichever is more convenient. Thanks in advance for this.

Stock Updates

I'll be putting information on our Facebook page about specials we will have and also about items out of stock in these last few days of the year. Please check out our canteen page at **TPS~~Canteen~~** for this information.

Any questions, please contact me at the canteen from 8am – 2pm Monday to Friday, or on my mobile **0414 855 629**.

Thanks, Lyn
