Parking Around the School

Thank you to the many parents who observe the road rules around our school and keep everyone safe. Below is a reminder of the rules for parking zones. In Havenview Rd, rather than stopping in the No Parking zone for an extended period of time *please drive around the block and come back for another try.*

NO STOPPING <ul style="list-style-type: none"> You cannot stop for any reason in these zones. 		NO PARKING <p>During the posted times:</p> <ul style="list-style-type: none"> You may stop to drop off or pick up your child. You are not permitted to stop

		<p>for longer than <u>2 minutes</u>.</p> <ul style="list-style-type: none"> You may get out of your vehicle to help your child from the vehicle but you cannot be more than 3 metres from your vehicle. <p>** These zones work best if the first driver pulls to the front of the zone so others can come in behind them.</p>

Bunnings BBQ

Thanks to those who have already volunteered for a slot on the Bunnings BBQ on Saturday 3rd March. If you can help out please put your name down at the canteen.

Ethics and Scripture

Unfortunately some Ethics notes were distributed to students who usually attend scripture. Ethics classes are only available to students who are enrolled in non-scripture. We apologise for any inconvenience. Notes have been redistributed to all non-scripture students. Please see the article in this week's newsletter, titled 'Special Religious Education (SRE) and Special Education in Ethics (SEE)', for further information.

Copacabana Public School Fete

Copacabana Public School are holding their Fete on Saturday March 24th from 11am to 2pm on the school grounds. We have a huge target this year to upgrade maths resources, along with more coding and robotics equipment and an increase to the reading and music resources. It will be a great family day out with yummy food, face painting, lob-a-choc, circus performers, carnival rides (including a giant slide and a bungee run), pony rides, tombola, raffles and delicious homemade cakes.

Treat the kids to an ultimate rides wristband for all-day fun on the giant slide, inflatable crash course, jumping castle, bungee run and tea cup ride. We also have a great line-up of live entertainment, including performances by local musicians, an interactive drumming display and a karate demonstration.

We also have some fantastic raffle prizes to be won. Buy tickets at the school or on the day. Everybody welcome!

ADMINISTRATION

Payments

Online payments are preferred. Thank you to all those parents, who are using our online payment option, to date we have had a huge response. Paying online significantly reduces traffic in the office. It also means less cash handling. Online payments, eftpos and cash payments are receipted daily. Receipts are issued for all transactions and are sent home via your child's classroom.

To access the Parent Online Payments just go on to the school's website and click on the "\$ Make a Payment Link". This link will take you to a Westpac site where you can make payments directly to the school.

Westpac has been working on an upgrade to the Parent Online Payment webpage. In the past using the "\$ Make a Payment" page through a mobile device or tablet has not been as easy as on a computer. Now, automatically, when parents click on this page, via a mobile device, they will be able to complete the online form with ease.

Other forms of payment accepted are eftpos, cash and cheque.

Money Due

As you can see, we have already invoiced for book packs and swimming carnival. You are more than welcome to pay book packs off in instalments, this is especially helpful if you have more than one child in the school.

Did you know that ***you can make regular payments in advance?*** This might be helpful to you if you have a child/children in Stage 3 with Year 5 going to the Aussie Bush Camp this year and Year 6 to Canberra. Money will be receipted in 'Fees in Advance' and can then be put towards excursions, etc.

If you are making regular payments in advance, please let me know when you want to pay for something and how much to put towards that cost or you can just write on the permission 'please use fees in advance'.

Special Religious Education (SRE) and Special Education in Ethics (SEE)

Special Religious Education (SRE) is education in the beliefs and practices of an approved religious persuasion. Special Education in Ethics (SEE) is a program in ethical decision making, action and reflection within a secular framework, based on a branch of philosophy.

Scripture is undertaken by a group of volunteers who come into the school to provide students with a basic introduction to religion. These lessons often take the form of short moral stories and activities that provide valuable personal development for the children.

Ethics involve developing core skills such as listening to others, taking turns to speak and giving reasons. Stories, poems and rhymes prompt children to discuss ethical issues. Volunteers follow a curriculum that has been developed specifically to enhance children's thinking and reasoning skills.

Scripture and Ethics classes are conducted at Terrigal Public School each Tuesday.

- Kindergarten, Years 1, 2 11.30-12.00
- Years 3, 4, 5, 6. 12.00-12.30

Both Scripture and Ethics volunteers have Working with Children Checks and are from approved providers. Classroom teachers maintain their role as supervisors during Scripture and Ethics classes.

Students are placed into religious groups according to the information provided on your school enrolment form. In 2018, Terrigal Public school will have Catholic and Protestant approved religious education programs.

If you selected 'No religion' your child will be placed with a group of children away from religious classes and participate in meaningful activities such as reading and private study.

No academic instruction or formal school activities occur during the time set aside for SRE/SEE.

Those students enrolled in Non Scripture may be given the option to participate in Ethics classes. Expression of interest letters are sent home early in Term One. The availability of these classes depend on the number of trained Ethics teachers that our school has available.

If no selection was made on your enrolment form or your particular religious persuasion is not catered for at our school, parents will be given a chance to nominate which group they would like their child to attend.

Students continue in the same arrangement each year, unless a parent/caregiver has requested a change in writing. At any time, you have the right to change your SRE/SEE nomination or to withdraw your child from the nominated lessons. A note to the office will affect this change.

If you have any questions regarding Scripture or Ethics at Terrigal Public School please contact the school.
