PRINCIPAL'S REPORT

Our New Building

I had the opportunity to tour our new building this week. The two classrooms downstairs and the new administration building are all but finished. Upstairs is getting very close. Can I say it is looking amazing!

Everyone will have noticed the slow reveal as scaffolding is removed. The exterior is also looking great. Over the next couple of weeks all of the landscaping, steps, ramps, paths and railings will be constructed to finish off the building.

Tell Us What You Think

We have previously informed our families about our annual survey which is managed by the Department of Education. The survey closes tomorrow but we have had less than 20 responses from our school. We have around 600 families so we'd love some more responses.

The information we gain from the survey informs our decision making going forward. I know everyone is busy but if you can take few minutes to complete the survey it would be greatly appreciated. We need lots of voices so that the decisions we make reflect most of our families and not just a few.

The link to the survey is:

<https://nsw.tellthemfromme.com/survey/splash/fmyzm>

The survey closes tomorrow afternoon.

World Teachers Day

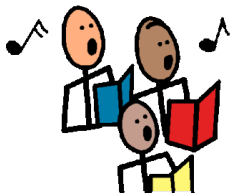

This Friday is World Teachers Day (Australia). We are lucky to have amazing, hardworking teachers and it is an opportunity to acknowledge their dedication. It is a privilege to be a teacher, to influence the future of Australia.

A big thank you to all of my teachers. We have the best job in the world!

Marine Studies Centre

Stage 2 students will be visiting the Marine Studies Centre at Terrigal over the next few weeks. They will be studying the environment.

Choral Festival

I had the pleasure of listening to our choral festival singers this week. Our students were involved in the Central Coast Public Schools Choral Festival at the Wyong Art House. They were part of a 200+ strong choir and sang a variety of items. They were amazing.

I also want to acknowledge Mrs Smiley who was part of the organising team for the Choral Festival and also one of the conductors. What a big task to be the conductor of a 200+ student choir. Well done for your exceptional 'wrangling' skills Mrs Smiley.

Thanks also to Mrs Summersby and Mrs Turner for their work with our students. Thank you to parents for their support also.

Band Success!

Continuing our artistic success this week were our band students. They participated in Central Coast Band Fest.

Our concert band achieved a highly commended in their section. A great effort.

Our training band won their section. Congratulations!

At the end of last year we decided to change our band provider, although hard, I am sure that all involved would agree that it has proven to be a great decision.

Thanks to Mrs Lester for her leadership of the band program.

Kindergarten Headstart

This week we welcomed over 100 new Kindergarten students as they started our Headstart program. It was great to meet all of the happy, smiling faces.

Thanks to Mrs Dalton for all of hard work in organising the Headstart program.

Swim School

Next week we start our two week school swimming program for Year 2 and support unit students. Students undertake an intensive 10 day program to learn to swim or improve their swimming skills.

Thank you to Mrs MacDonald for her organisation of the program.

Bandanna Day

Thank you to everyone who has purchased a Bandanna this week. It looks like we'll sell out again this year and that's a great effort to raise funds for CanTeen.

Thanks to Miss Summersby and Mrs Wilson for organising this event.

Principal

Summer has started!

Well, it feels like summer has started and our new, cooler summer options are proving very popular in the canteen!

We have lots of healthy cool treats available every day, from our healthy range of ice blocks and ice creams to our canteen made recess specials daily (frozen lollipops and frozen yoghurt etc). We also have our popular frozen drops and some frozen fruit options for those that want a little cool treat (10-20c).

It's not too late to volunteer in the canteen! We always need helpers, and some of our regular volunteers may be unavailable in the coming months with seasonal commitments starting to come up. Please give me a call or pop in if you would like to try out helping in the canteen just once, or once a month until the end of the year. We also love it when people can help out for just an hour or two one day. An extra pair of hands to prep ice blocks, wash up, flip pikelets or serve the kids is always appreciated - we love helpers!!

If you have any questions about the canteen, including ingredients, feedback or to discuss volunteering, you can contact me at the canteen from 8am-2pm Monday to Friday, or on my mobile 0414 855 629. Thanks, Lyn

Soft plastics help

Hi families

We have introduced 4 new recycling bins in our stage 2 eating area. These separate landfill, 10c return and earn, compost/food and soft plastics.

We have had an overwhelming response to the soft plastic bin with various chip

and muesli bar wrappers. These are then taken to the Woolworths and Coles soft plastic bins. If families use either of these stores, can you take a bag from the office, 4H or ask for a bag to be sent home with your child. This will help distribute the load.

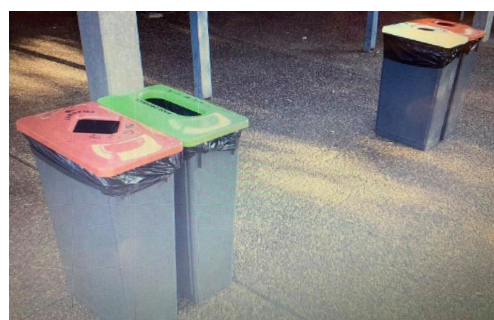

The soft plastics bins are usually very close to the front registers. Any help would be wonderful as this contributes in sending our plastics to the right place for re-purpose

Please see Mrs Murphy or the office staff if you are able to assist.

Kind regards

Mrs Murphy
Teacher

Bandanna Day – 25th October

Every year, Terrigal Public School raises funds for Canteen – an organisation which provides support to young people and their families affected by cancer.

Bandannas will be sold each morning from 8.30am next week (Monday 21st to Friday 25th October) outside the front office.

Bandannas are \$5 each. We only have a limited amount of bandannas, so get in early if you don't want to miss out on your favourite!

Next P&C Meeting **Monday 28th October (Week 3 Term 4)**

All Welcome – 7pm in school staff room

P&C Meetings are held on a Monday night in Wk 3 and Wk 8 every term in the school staff room and commence at 7pm. All parents and carers welcome. The P&C meetings are relaxed, welcoming and we encourage everyone to attend. We discuss and vote on initiatives and programs within the school. Plan for future needs eg. playground upgrades, IT infrastructure, additional support services, equipment needs, safety issues and fun events to engage and entertain the students and school community. There are several different ways parents can assist and contribute directly to the P&C.

1. Attend P&C meetings as a non-financial member (no voting rights).
2. Become a financial member (\$1 annually) and make your vote count.
3. P&C meetings are held on a Monday night in Week 3 and Week 8 during school term.
4. Attend and nominate for a position on the committee. (President, Secretary, Vice President, Treasurer) our AGM is in March each year.

Volunteer at one of our many events, canteen, uniform shop or take on a project. For further information or questions please contact the P&C Secretary terrighpublicschool@pandcaffiliate.org.au

The P&C are working with the school and the broader local community to try and reduce waste.

To do our part for the environment, the P&C will now be selling reusable lunch bags for \$10.

These reusable lunch wallets are designed to replace paper lunch bags when purchasing food from the school canteen.

These lunch bags have been very successful in other local schools.

If you order from flexi-schools then that's ok too. The flexi-school stickers will now be stuck on the lunch bag and returned to your child's class with their order.

They are durable and easy to wipe clean.

They are available in 6 bright colours; Blue, Pink, Green, Red, Purple and Orange (Allergy Alert).

If you have any questions, please feel free to ask the ladies at the Canteen and the P&C would like to thank you for supporting your school fundraiser.
