Well Done Micah - MC at the Choral Festival

Congratulations to Micah on an outstanding job as MC last Thursday evening. I had an email from two Principals, whom were in the audience, to say he was amazing.

Band Success!

Our concert band achieved a highly commended in their section. A great effort. Our training band won their section. Congratulations!

At the end of last year we decided to change our band provider, although hard, I am sure that all involved would agree that it has proven to be a great decision.

Thanks to Mrs Lester for her leadership of the band program.

Summer has started!

Well, it feels like summer has started and our new, cooler summer options are proving very popular in the canteen!

We have lots of healthy cool treats available every day, from our healthy range of ice blocks and ice creams to our canteen made recess specials daily (frozen lollipops and frozen yoghurt etc). We also have our popular frozen drops and some frozen fruit options for those that want a little cool treat (10-20c).

It's not too late to volunteer in the canteen! We always need helpers, and some of our regular volunteers may be unavailable in the coming months with seasonal commitments starting to come up. Please give me a call or pop in if you would like to try out helping in the canteen just once, or once a month until the end of the year. We also love it when people can help out for just an hour or two one day. An extra pair of hands to prep ice blocks, wash up, flip pikelets or serve the kids is always appreciated - we love helpers!!

If you have any questions about the canteen, including ingredients, feedback or to discuss volunteering, you can contact me at the canteen from 8am-2pm Monday to Friday, or on my mobile 0414 855 629. Thanks, Lyn

Soft plastics help

Hi families

We have introduced 4 new recycling bins in our stage 2 eating area. These separate landfill, 10c return and earn, compost/food and soft plastics.

We have had an overwhelming response to the soft plastic bin with various chip

and muesli bar wrappers. These are then taken to the Woolworths and Coles soft plastic bins. If families use either of these stores, can you take a bag from the office, 4H or ask for a bag to be sent home with your child. This will help distribute the load.

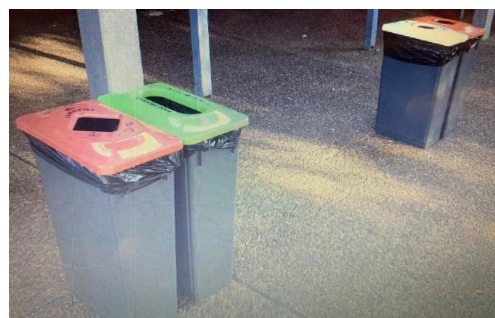

The soft plastics bins are usually very close to the front registers. Any help would be wonderful as this contributes in sending our plastics to the right place for re-purpose

Please see Mrs Murphy or the office staff if you are able to assist.

Kind regards

Mrs Murphy

P&C Meetings are held on a Monday night in Wk 3 and Wk 8 every term in the school staff room and commence at 7pm. All parents and carers welcome. The P&C meetings are relaxed, welcoming and we encourage everyone to attend. We discuss and vote on initiatives and programs within the school. Road Safety – a Shared Responsibility

When thinking about road safety, what is *shared responsibility*?

It's a way for us, individually, to ensure the safety of everyone in our community.

Central Coast Council regularly reviews the environment around our many schools, improving areas such as the setup of parking restrictions or the upgrading of crossings. Supporting schools to educate their school community about road safety outside schools is also a role of our Council.

Everyone in the school community - parents, grandparents, carers, teachers, students, bus drivers, crossing supervisors and motorists passing through the area – all have a responsibility for the road safety of our children.

Please consider the following to help keep the members of your school community safe

- If you drop off or pick up children to or from school, please follow the Road Rules
- There are designated areas that allow for parking but there are also areas that do not allow parking
- Pedestrian and / or School Crossings provide the safest options for crossing the road
- Speed limits are set at 40km/hour to help keep people around school areas - especially children - safe.

Road safety around schools is about *shared responsibility*. Addressing road safety issues are not always about needing more parking spaces.

Children are great imitators so please set a good example and model safe behaviour.

The Safe System Approach to Road Safety has been adopted in NSW. The following is taken from the NSW Towards Zero Road Safety Campaign:

People are at the heart of the safe system approach to road safety.

Road safety is a shared responsibility – everyone needs to make safe decisions on and around the road to prioritise safety.

All road users owe it to themselves and to everyone else on the road to follow the road rules and drive to the conditions. Crashes can be prevented, and lives can be saved, by making safe choices.
