PRINCIPAL'S REPORT

Our New Building

We are down to the last two weeks of construction! This will be followed by a period of testing and quality assurance. We won't move in this year but the building will be up and running for day one next year.

A few key points to remember for when the new building is operational at the beginning of next year:

- The lift will be available for parents to use. Students will not be allowed to use the lift on their own.
- Stage 3 classes will be in the top floor of the new building. The two classrooms on the ground floor will be occupied by kindergarten.
- The school administration office will be in the new building. The old office area won't be accessible to parents and visitors.
- Sick Bay will be in the new building.
- Security cameras will monitor the area around the new administration block.
- The school defibrillator will be located in the new office.
- Students arriving before 8.30am will be required to wait on the seats outside the new administration building.
- The only entry to the school between 9.30am and 2.30 pm will be via the Havenview entrance.
- Bikes will be stored through the gate to the right just before the new building.

New Entrance to The School

Thanks to everyone for your co-operation in using the new Havenview Rd entrance to the school. It was great to listen to the all of the comments like 'Wow', 'That's Cool', 'it's amazing' and 'They've done a great job'.

Class Placement for 2020

We are currently working on our classes for 2020.

This is the final call for parents to write to me about any social needs of students. Requests must be in writing to Mr Burgess. Whilst requests, received by the final date, will be considered it may not be possible to meet all wishes. Requests for specific teachers will not be considered.

Students will be asked to nominate 5 friends they would like to have in their 2020 class over the next week or so. If you are a parent who wants input into who you want your child to nominate please speak with your child now.

Support for the Lord Family

Many of you would be aware that one of our students, Rohan, was diagnosed with a serious medical condition last week. Friends and colleagues of the family have set up a GoFundMe page to support the family as they will be at Westmead Children's Hospital for extended periods of time and this will impact on them financially.

If you would like to support the Lord family you can go to the page and donate:

https://www.gofundme.com/f/raise-it-for-rohan?utm_source=customer&utm_medium=copy_link&utm_campaign=p_cp+share-sheet

Message Stick

Last week our students Molly and Dakodha attended The Entrance Campus to return the message stick which has been passed around the schools involved in the Gulang Festival. The purpose of the message stick was to share information about the festival and invite people to attend.

Mini-Fair

Tomorrow Year 6 will hold their annual mini-fair. The mini-fair is a highlight for students as they participate in a range of activities. Students may wear mufti. Please ensure your child wears enclosed, solid shoes. Also that they wear a shirt that covers their shoulders as they may be in the sun. They also need to bring a hat.

Well Done Tennis Team

Congratulations to our tennis team on being awarded 13th place in the State Todd Woodbridge Cup. Our team competed against students from public, independent and religious schools from across the state.

A great achievement. Thank you to Mrs Murphy for coaching and organising the team. Thanks to parents and families for their support.

Mariners Cup

Over the last couple of weeks our students have played in the Mariners Cup at Tuggerah.

The boys' team won through to the final but were narrowly beaten to come runners up. The girls' team played well during the day and were unfortunate not to make the final. Congratulations to both teams on representing our school with pride.

Leadership Speeches

Congratulations to all of our nominees for our student leadership team for 2020. Last week they presented their speeches to their peers to convince them they would make the best leader. Votes will be tallied and the successful candidates announced at our presentation day.

Band Visit

Last Thursday we had a visit from Sydney Girls' High School bands and choir. The bands played for students in Years 2 - 6 and their choir worked with our choir on producing a joint performance. It was a great experience for our students to listen to quality musicians.

End of School Year

The end of the 2019 school year is quickly approaching. The last day for students is Wednesday 18th December.

Students in Years 1 – 6 return to school on Wednesday 29th January 2020.

Book Fair – Next week, Monday – Thursday.

The Scholastic Book Fair will visit our school in Week 7 (25 – 28 Nov). It is a great opportunity to purchase a book as a gift, or buy and donate to the school – your name will go in the book that you donated and you will also be the first to borrow it when ready.

Students will have the opportunity to view books during their library lesson in Week 7. Purchasing will occur before and after school each day.

Todd Woodbridge Cup State Final

On Monday, some of our Stage 2 students played in the Todd Woodbridge Cup State final in Sydney. 500 teams across NSW and the ACT played in this tournament and 20 teams made it through to the State final.

Our students won a couple of rounds, including one against Ashbury PS, we lost a couple which included the eventually winners, Mater Dei, Wagga Wagga and were very close in 3 other rounds.

Overall, the team finished 13th in the state, an achievement they should all be very proud to have accomplished.

Students played their games well, with respect and represented Terrigal Public School with pride. Congratulations team !

Mini Fair

Friday 22nd November

The Mini Fair involves all students K - 6. For 1 $\frac{1}{2}$ hours, students will be able to enjoy the many stalls that are being organised by our Year 5 and 6 students. Some of the stalls will be: nerf challenge, cafes, obstacle course, footy throw, wet sponge throw, hook a duck, hair spray, haunted house and plenty more. Wristband orders need to be in to your child's teacher by this Monday 18/11 to allow

us time to order items for the stalls. All funds raised are used to support our school. If you would not like your child to participate for any reason, please let your child's teacher know.

ADMINISTRATION

Money Due - *Parent Online Payment (POP) is the school's preferred payment option*

Online Payments is the school's preferred payment option. To access please go onto the school's website and follow the 'Make a Payment' link. This link will direct you to the Westpac Banking site, where you can make payments directly to the school. Please feel free to contact the office, if you need some help or if you want some more information.

Currently we are still taking payments for our voluntary school contributions. Please feel free to contact us if you are not sure if you have made a contribution yet. Schools are funded by the State and Federal Government to provide basic education to students. As a school community we strive to provide additional learning opportunities to students. To assist with the purchase of additional resources, which enhance learning programs, each family is asked to pay a Voluntary School Contribution.

We still have a few families who haven't paid for their children's book packs. Book packs are handed out at the beginning of the year to all students. Each book pack contains items required for each particular grade including the school diary. Book packs are sold at a reduced price which, because of our bulk buying power (and because we don't pay the GST), is approximately half the retail price.

Another reminder invoice was sent home last week.
