PRINCIPAL'S REPORT

School Photos – Thanks

Thank you to families for ensuring students were in their correct uniform and looking amazing last Friday. The photographers, once again, commented on how much they love coming to our school because of the excellent behaviour of students and co-operation of school staff. Well done everyone.

School Cross Country - Thanks

Congratulations to all of our placegetters from last week's school cross country. Well done to all runners for your efforts and participation.

The new venue for our cross country seemed like a hit with feedback from students, staff and parents being very positive.

Thanks to Ms Neale and Mrs Haines for their excellent organisation. Thank you to all staff for their efforts and to those parents that helped out for your assistance.

NAPLAN – National Assessment Program in Literacy And Numeracy

Next week students in Years 3 and 5 will sit their NAPLAN test for reading, spelling, writing and numeracy. Language Conventions (inc. spelling, grammar and punctuation) will be held on Tuesday, Reading on Wednesday and Numeracy on Thursday.

Students need to ensure they are at school on time each day.

P & C Meeting – Monday 13th at 7pm in the Staffroom

Our Parents and Citizens Association will hold their next general meeting this Monday at 7pm in the Library.

Waste Free Wednesdays

Every Wednesday we encourage families to consider the waste they create in preparing lunches. Please consider using re-useable containers and other items that won't end up in landfill.

Walk Safely to School

Next Friday is Walk Safely to School day. This is an opportunity to promote a healthy lifestyle and road safety.

Building Update

Over the next two weeks the link to the hall mezzanine will be constructed. The link to the library will also be formed and concrete poured.

On the afternoon of the 20th or 21st May, the entry path past KN and KA and the stairs between the library and Kindergarten will be closed. This will mean that at home time students and families will need to exit via the middle level and down the grass slope to exit to Havenview Rd.

You'll also notice that the interior wall structures for the lower level will start to appear and brick work on the second storey will start.

Lions Club Recycle for Sight Program

WANTED – YOUR OLD SPECTACLES – eyeglasses, sunglasses, reading glasses. Please place them in the box at the school office

Our student ministers are supporting the “Lions Recycle for Sight” program. The aim of the program is to improve vision/sight for poorer peoples throughout the world. The ‘Lions Recycle for Sight Australia’ is part of the International Worldwide Eyeglass Recycling Program based in

Queensland and operating across Australia and overseas.

So to help out we want your old reading glasses, eye glasses and sunglasses. We will then pass them on to the Terrigal Wamberal Lions Club who will make sure the glasses are sent to the Lions ‘Glasses Recycling Centre’ in Queensland.

The Lions organisation provides checks for people and match them to collected glasses or refurbished glasses.

Dog Safety Talks

This term all of Kindergarten and Year 1 students will be attending Dog Safety Talks as part of their Safe Living program. A Pet Educator from the Responsible Pet Education Program will bring a calm, well-trained dog with them to discuss how students can keep themselves safe around dogs. It should be an informative and enjoyable session. Kindergarten and Year 1 parents/carers are asked to speak with their child’s teacher in advance if their child is afraid of dogs so we can provide any necessary additional support.

New 'Real Deal' Burger

On our new Winter Menu, we have introduced a new burger – the 'Real Deal' Chicken Fillet burger.

This is made from fresh Australian Free Range chicken breast fillets, lightly spiced and oven baked in the canteen. We serve this fillet on a wholemeal bun with lettuce, tomato and mayo.

Our new burger is slightly more expensive than the other options on our menu, as it is not a processed, frozen meat patty – it is real, fresh chicken breast purchased by us and cooked in the canteen, and it's delicious! Why not give it a try over the next few weeks and see how the kids like it?

***Wishing all our mums and carers a wonderful
Mother's Day this weekend!! Enjoy!***

For information about the canteen, please like our Facebook page **TPS~~canteen~~**. Reminders, information on menu item availability, and pictures are posted there for you to keep up to date with your school canteen!

If you have any questions about the canteen, including ingredients, feedback or to discuss volunteering, you can contact me at the canteen from 8am-2pm Monday to Friday, or on my mobile 0414 855 629. Thanks, Lyn

Seasons for Growth at Terrigal Public School

Change happens to each and every one of us.

We all have a story to tell.

Sometimes the change is completely unexpected and leaves us feeling lost, empty, angry unable to explain how we feel but thinking, “no-one understands”.

Seasons for Growth (SFG) is an educational, peer-support, grief and loss program, that aims at increasing our kids resilience to cope when unexpected change happens, and the people we love are just not there anymore.

SFG focuses on the health and wellbeing of those who choose to participate, and the effects that ‘Change’, associated with death, divorce and/ or separation, can have on the child.

The program is an early intervention program offering continued support.
