PRINCIPAL'S REPORT

We have come to the end of quite a different year. This is the last newsletter for 2020. Over the next few days we will hold our final events for the year and then put our feet up for a few weeks.

Thank you to our school community – you have been amazing! Thank you for your discipline in following COVID rules and co-operating with every change we made. In a tough year your support has been valued and much appreciated.

To all those that celebrate Christmas, I wish you a very joyful celebration of your faith. To all of our families, I wish you a safe and relaxing holiday. I hope everyone finds time to stop, spend time with family and value the life we enjoy in Australia. I also hope that we find time to reflect on those workers who have been on the front line throughout the year from our firefighters, to police, doctors, nurses, lab technicians and everyone else who has helped ensure that we are safe and able to lead our lives as normally as possible.

I also acknowledge that for many of families it has been a tough year. Families that have lost jobs, been isolated from loved ones, families that have struggled with their businesses or even had to close down. Beyond COVID we have families that have lost their home to fire or had family members become ill. We know you are there, we send our support and hope that you are able to find some joy over the summer break. For all of the changes, restrictions and worry we have managed to have the best year we could. Students have still achieved and grown. They have had lots of fun at school. They have learnt new skills in coping with change. We have managed to undertake as many 'regular' activities as we could in the current context.

So here's to a restful and relaxing holiday and to a much better 2021.

PRESENTATION DAY

Congratulations to all of our annual award winners who will receive their awards at tomorrow's presentation day assembly.

The ceremony will be live streamed and details have been sent home previously. Congratulations to our student leaders for 2021.

DEBATERS

Our debating team are through to the state final of the Premier's Debating challenge. They argue their last position on Monday. We wish them well in creating strong rebuttals!

END OF 2020 & RETURN IN 2021

2020	2021
<ul style="list-style-type: none">• Wednesday 16th December - Last day for students• Thursday 17th & Friday 18th – School office open	<ul style="list-style-type: none">• Wednesday 27th & Thursday 28th January – school office open• Friday 29th January – Students in Years 1 - 6 return to school• Friday 29th Jan – Wednesday 2nd Feb Kinder Best Start Assessments• Wednesday 3rd February – Kindergarten's First day at TPS

RETURN AND PICK UP DAY ONE for 2021

When students return on Friday 29th January they will need to be dropped at the gate as they have been this year. Staff will be present to help students transition back to school.

When the morning bell goes they will meet in their stage assembly areas from 2020 (2020 Kindergarten outside Mrs Walkaden's room, 2020 Year 1 & 2 in the top amphitheatre, 2020 Years 3 & 4 outside Mr Meldrum's room and 2020 Year 5 on the steps below the new building.) Students will return to their 2020 class whilst we check our numbers.

New students will meet in the school hall.

At pick up time 2020 Kindergarten and Year 1 can be picked up using the same routine as from 2020. All other students will meet at their normal meeting place. **Please ensure your child knows their routine for pick up.**

UNIFORM 2021

Next Wednesday 16th December (8.30 – 9.15am) will be the last day for the uniform shop this year. Flexischools will be suspended for a few weeks and reopen in January. Orders can be made via Flexischools for the start of 2021. They will be ready for pick up on Friday 29th January.

The uniform shop will be open on Wednesday 3rd February 2021 from 8.30am.

Please ensure your child has plain white socks with blue dress or plain grey socks with grey shorts.

Uniform Choice 1	Uniform Choice 2
Light blue school polo Grey school shorts Grey socks Black shoes School hat	School summer dress White socks Black shoes School hat

SEMESTER TWO REPORTS

Semester two reports were sent home on Monday 7th December. Additional reports were posted on Tuesday.

If you have not received your report then please contact the school office for another copy.

MILTON – WORTH A VISIT!

Thank you for your support of Milton and Milton Public School during 2020. Our bushfire buddy school has greatly appreciated your support. It is an anxious time for the community as temperatures rise and we go into the summer holidays.

If you are heading south these holidays or still thinking about what to do please consider stopping in at Milton – either to stay over night or as a stop on the way through. Boosting the local business community is a great way to support them get back on their feet.

PREMIER'S READING CHALLENGE

Congratulations to our students who have received gold awards in the Premier's Reading Challenge. Well done.

AFL

Congratulations to our two AFL teams on their success at this week's gala day. Both teams played with a lot of skill but more importantly played with the right attitude and mindset.

Well done to all players.

Thank you to Mr Krisher for organising and coaching and to Miss Barnett for coaching.

FAREWELL MR LENSON AND MRS MOORE

As we finish up next week we will have the sad job of saying farewell to Mr Lenson and Mrs Moore. Mr Lenson was appointed to Empire Bay Public School earlier in the year. Fortunately, the Principal from Empire Bay was a real champion and allowed us to keep Mr Lenson to finish out the year.

Mr Lenson has been a wonderful asset to Terrigal Public School. Not only has he been a great classroom teacher but also through organising events, coaching sporting teams and telling terrible jokes at assembly!

Mrs Moore has accepted a teaching position at Coast Christian College. We will miss her creativity and especially her organisation of our school's involvement in the Five Lands Walk.

Thank you, Mr Lenson and Mrs Moore we wish you all the best for your new school.

FAREWELL YEAR 6

Next Tuesday we will farewell our Year 6 students with their graduation during the day and a farewell celebration at night. COVID restrictions will mean the graduation and farewell will be a little different but we have still managed to make it a special day for students to celebrate the end of their primary school learning.

SCHOOL DEVELOPMENT DAYS

Next Thursday and Friday, staff will continue at school after students finish on Wednesday. Staff will be undertaking CPR training, finalising classes for 2021, sharing information with new teachers about student needs, planning learning programs and setting up classrooms for next year.

THANK YOU STUDENT LEADERS

Next week also marks the end of the reign of our current school leaders. Although there haven't been as many opportunities this year, the leadership team has still managed to make their mark.

The parliament leaders got to meet the Minister for Education, the honourable Sarah Mitchell when she opened our new building. They were able to meet and introduce our new kindergarten students in to school at the beginning of the year.

Our sports captains got to lead their teams at swimming and athletics carnivals when at one stage it looked like we may not have any carnivals.

Thank you to our leaders for your willingness to give up your time to represent your peers and our school. Well done and thank you.

END OF YEAR SPEECH

Below is the transcript from my speech at presentation day for your information.

Good morning Terrigal it is Mr Burgess here with a slightly different Presentation Day speech (and a slightly different me!)

I too acknowledged that this ceremony takes place on land that is, was and always will be Aboriginal land. I pay my respect to elders past and present and extend my respect to all Aboriginal and Islander people with us today.

Well... 2020 turned out to be a little different to what we expected when we started the year. It was a busy time as we spent a lot of the summer holidays preparing our new building.

We put the finishing touches on our new classes and administration space. Had the P & C in for a sneak peak and moved in to our spectacular new building.

Teachers spent time planning and preparing for the new year. Interestingly I asked them to write a letter to themselves outlining their goals for 2020. That letter was sealed and it will be interesting for them when they open and re-read those letters next week.

We arrived at day one and students were welcomed into our new space, full of hope and wonder for the new year. Our new kindergarten students were welcomed by our student leaders and none of us could have imagined what a strange start they would have to school.

Learning began in classrooms across the school. Hands on mathematics, using technology such as Spheros to learn skills in problem solving, collaboration and innovation. Students learnt about themselves and others, read and responded to books and other texts, entered virtual worlds and learnt how to get along with other's in the real world.

They dug, snipped, fertilised, watered, recycled, composted and cooked. They learnt about looking after this world as we don't have a spare one. Students learnt to count, spell, write, argue, speak, listen, punctuate and multiply.

We even managed to fit in some of our regular events such as our leader induction. Our swimming carnival went ahead and students participated with enthusiasm and determination and cheered on their team mates.

Tim McCallum, a DoE big wig, visited because he had heard great things about our school. He was really impressed at what he saw.

A big term 1 event was having our demountables removed from the school oval to the relief of one and all. One of my highlights of the year has been watching students running on the oval at recess and lunchtime, particularly seeing more girls being active. The new building isn't just new learning spaces but the additional space it has given back to us.

We received a grant from Adam Crouch to do up our playground post demountables and we look forward to that project next year.

Then along came a little bug called COVID-19 and it changed the rest of the year. Our focus changed from learning to how best protect students, staff and the community. There were lots of new rules and restrictions. We stayed home if sick, tried not to touch our face (a really difficult thing for those of us with a beard!)

We washed and sanitised our hands over and over again.

We learnt what social distancing meant and how to practice it. It was a great maths exercise in estimating 1.5m

We scrambled to find supplies and the Department of Education sent us care packages with everything from soap to wipes and even yellow spray paint!

What was the go with toilet paper? Fortunately, our very smart office staff had stocked up early so we had plenty of paper to sustain us at school.

Some of our favourite events had to be postponed and then eventually cancelled.

And then everyone was out – learning from home became a thing. Teachers had to quickly shift what they were doing. They planned how to support learning at home. They learnt new skills such as delivering online learning. They also had some fun and if you haven't seen all of the videos it is worth another look if you are looking for things to do over the summer break.

It quickly became obvious that online learning wasn't working for many families. With parents working from home, siblings needing devices also and essential workers needing to go to work packs became the new norm. So each week 900 packs were ready for pick up our great community would come and grab their pack for the week. Eventually we got ahead and we were able to post out packs. Our community was amazing and followed all of the new procedures well.

Even our P & C re-invented themselves and went to online meetings, adjusted canteen and uniform processes and showed themselves to being an agile organisation.

Being conscious of our community the staff did coffee and food runs in support our local businesses.

The community was just as generous and provided lunch and coffees for staff to thank them for their work and support of students.

Just as suddenly we were back at school. Learning recommenced although many things couldn't go ahead as normal. Drop off and pick ups were different. Parents weren't allowed back in classrooms.

There was a real focus on making up for what was missed during the lockdown period. We also focused on reconnecting and rebuilding students and staff.

We couldn't meet in person so assemblies went to Zoom. Students watched in class as our leaders ran the assembly. We couldn't sing so one student sang the anthem at assembly on behalf of everyone else.

Our students showed their resilience and teachers worked hard to ensure learning was engaging and fun. The smiles returned and students achieved. In most classrooms learning was very similar to before COVID.

As restrictions eased we were able to do a few more things and managed to hold our athletics carnival although it was strange not to have families present – the empty stands reminded everyone that we weren't back to normal. Even the presentation of ribbons was different following the carnival with winners announced over Zoom and the ribbons presented remotely in classrooms.

The Minister for Education Sarah Mitchell called by to open our new building. Unfortunately, we could not involve everyone in a big celebration but managed a fabulous virtual ceremony including a video to show off our wonderful school and students.

In the continuing COVID gloom we had some fun. Students dressed up as their COVID heroes to acknowledge all that many had done to keep us safe. Be it doctors, our own family, nurses, teachers or just everyday heroes. We acknowledged their contribution and brightened our day also.

Despite the restrictions our school managed to do many of the things that make Terrigal a great school. We acknowledged and celebrated the rich cultural heritage of our Aboriginal community through NAIDOC week.

Our favourite teddies visited for a picnic.

Our teachers dressed up quite a few times as it has been a big year for them too and they needed something to spark them along.

There was a teachers vs students touch football game – boy wasn't that competitive! I think we called it a draw in the end but I think there are still a few teachers suffering the consequences.

Book week came and was a great celebration of literature and whole lot of fun. Thank you to everyone who bought a book from the book fair. Money raised is used to buy more books and resources for the library.

We held crazy hair day to raise money for Milton Public School, our bushfire buddy school. Milton was affected by the terrible bushfires back in January. We were buddied up with them to support them as they recover. We donated money to the school to be spent in the town. We also bought morning tea for the staff!

Speaking of hair, I had the pleasure of shaving a student's hair off – all in a good cause of course. Rohan had beaten cancer, then COVID hit but post COVID he wanted to help others with cancer and shaved his head to raise money. What a great example of what our school is all about. Well done Rohan.

We also raised money for children with diabetes, planted trees for tree day.

We snuck a bit more sport in with our basketball team being very successful at their gala day and our touch football teams showing off their skills in their section of their gala day.

We built on our focus on STEM science, technology, engineering and maths. We even had Adam Spencer visit to share his wisdom on numbers and maths.

Rumbalara environment team visited to build our environmental skills and we even saw some of the plastic we have recycled return in the form of two new recycled plastic tables and chairs for the playground.

We finished the year looking ahead with hope by welcoming our kindergarten students for 2021 into our Terrigal Treasures Headstart program. Hopefully they will have a more 'normal' year next year.

Finally, I would like to acknowledge some people:

Firstly, our debating team who have managed to argue their way through to the final of the NSW Premier's debating competition. I am prerecording this message so I don't know the final result but what ever it is, it is a huge achievement to out debate every other school in the state and get to the final. Well done.

To our parents thank you for your co-operation, support and resilience. You are amazing.

A special thank you to our P & C. Nicole and her team have done a great job this year to maintain the services they could and continue to support the school.

Our office and maintenance staff have been under additional pressure this year. The support they have provided to the school community has been amazing.

To our teachers and support staff you are legends! You have managed to be agile, flexible and learners. You have put aside your own fears and worries to support our school community and especially essential worker families. You have learnt many new skills and had some fun along the way. But you have always been focused on doing the best for students.

A special mention to Mr Lenson and Mrs Moore who leave us at the end of the year. They have been a great asset to our school and will be missed. We wish them well at their new schools in 2021.

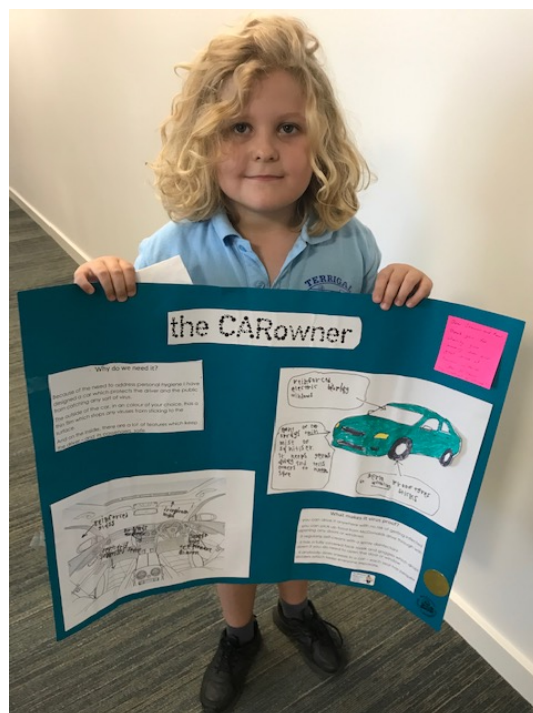

My exec team is amazing. Thank you for the many, many additional hours you have put in this year. You are the best.

Finally, to our students **Congratulations**. Whether you receive an award today or not, you are all winners for surviving this year with a smile on your face.

I thought I'd share this one last image with you as a reminder that even though this year has been tough we always need to look for a positive. Here we have Seamus who in the midst of the COVID lockdown produced the Car Owner. A car with special features to ward off viruses. Special surfaces where viruses can't live, special features to do contactless pick up, special sprays to kill off viruses.

So as we move in to 2021 we all look forward to a much more positive year. I wish everyone a great break.

Michael Burgess
Principal

Presentation Day Zoom Webinar Details

Instructions to Join Assembly (Test Session, 4 December) and Presentation Day (11 December) Via Live Stream (Zoom Webinar)

We encourage you to test this system by joining our school assembly this Friday 4 December.

Please note that we are running separate webinars for each stage on presentation day, so if you have children in other stages, you must take note of the different times and meeting details for each child's stage.

Step 1: Create a Zoom Account

Prior to joining the meeting, you will need a Zoom account. The following link will direct you to the Zoom sign up page. <https://zoom.us/join>

Step 2: Join the Meeting.

You will be able to view our assembly once you join the Zoom webinar. The webinar format means that attendees cannot share their screens or audio.

Log in to your Zoom account and join the webinar. See the table for meeting details. A visual guide has been provided.

Assembly, Test Session, 4 December

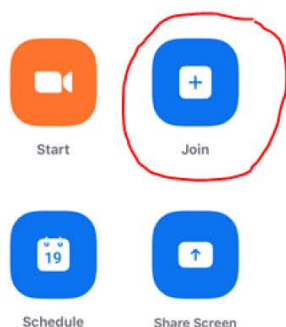

Date	Time	Meeting ID	Password
Friday 4 December	9.10am- 9.30am	635 1219 9672	assembly

Presentation Day, 11 December

Date	Time	Meeting ID	Password
Friday 11 December	9:10-10:55am	<i>See table below for relevant meeting ID</i>	<i>See table below for relevant password</i>

School Band

Would you like to join the School Band?

Band is open to students in Years 3-6. Our current Year 2 students are now eligible to enrol for 2021.

More information will be provided upon registering your interest.

Is your child/ren leaving our school and not returning next year? (excluding Year 6)

If so, could you please notify the office as soon as possible as we are beginning the process of planning for our 2021 classes. Early information is always helpful in this planning.

Thank you.

Enrol Online

We are excited to announce that we have rolled out the new Online Enrolment System.

The Online Enrolment System is designed to provide flexibility for parents to submit an Application to Enrol in a NSW Government School online at a time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android. You can start the online enrolment process by going onto our website <https://terrigan-p.schools.nsw.gov.au/about-our-school/enrolment.html>

The online application process is currently restricted to:

- Enrolments into **local** schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If however, you do not feel comfortable completing an application online, a paper copy will be available for collection from the front office or can be downloaded from the Department's [going to a public school site](#).

Ulrike Myers

Administration Manager

Happy Holidays

2020 has seen us have a quiet year with limited events and fundraising but the P&C and volunteers have continued to ensure we have provided support and services to our school community. The canteen ladies have done a fabulous job to maintain and ensure students and teachers are provided with nutritious and fresh food options every day. ***Thank You Lyn, Corrinne and Mandy and all our Canteen Volunteers.***

We were able to assist the school in providing a new ***health and wellbeing room*** for our students.

The Uniform Shop has continued to operate with online orders and a massive ***Thank You to Sally*** who has sorted, labelled and spent numerous hours to provide an organized and tidy space to work in every Wednesday.

The P&C has continued to ***fund Reading Eggs, Athletics and the school chaplain*** this year, which were all in very high need during our home schooling and supporting students returning to school. We look forward to returning in 2021 and wish all our TPS families a safe and happy holiday.

Please have a SAFE Holidays

As we all enjoy some relaxed times with family and friends, please remember holiday time sees a significant risk to children with an increase in injuries and accidents. Often children maybe in new and unfamiliar places/surroundings, attempting to master new toys and keeping up with older neighbors, siblings, and friends and increased tiredness all contribute to more accidents and injuries.

Additional information on these topics and more are available from NSW Police Legacy & Child Safety Handbook and App available

<http://nsw.childsafetyhub.com.au/handbook/>

Beach and Pool Safety

Online Safety

Food/Allergies

Storm Safety

Road Safety

Car Safety

Farm Safety

Bushfire Safety

Toys and Batteries

Fire Safety

Holiday helpful ideas and tips for smooth transition to 2021

- Label all Uniform Items
- Label all Drink bottles & Lunch containers
- Set up Flexi Schools account to order uniforms and lunches from canteen
- Prepare how your children will safely get to and from school in 2021.

The holidays is a good time with adult supervision and guidance to practice crossing roads, safe riding of bikes/scooters and discussing what to do in different scenarios.

Ensure you remind them of being road safe, weather its pedestrian safety, wearing helmets, having a bus buddy or safety around the pickup and drop off zones.

2021 P&C Meetings

P&C Meetings start at 7pm and are in the school Staff Room, All Welcome.

- Term 1 – Week 3 Monday 8th February 2021
- Term 1 – Week 8 Monday 15th March 2021 (AGM)

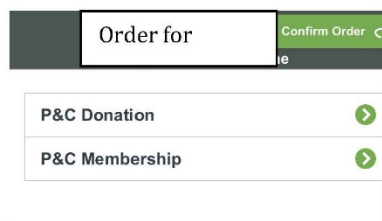

**If you would like to join the P&C for 2021 it is easy as 1,2,3.
We have setup P&C membership thru Flexi-schools. Available NOW**

Step 1

Step 3

MUMMA'S Masterpiece of Terrigal beach

On Friday 27th Nov, 35 guests attended our first ever painting fundraiser night in the school hall. It was great fun, and a wonderful success. Everyone completed their masterpiece and was able to take home their art to share with family and friends. It was a great opportunity to support the school, catch up with some friends and have a great night out. As with all events there is a huge amount of work that goes on behind the scenes to bring it altogether. Thank You to the amazing Tonia and Nic from our P&C who put the amazing event together.

A big Thank You to the following sponsors and supporters

Brad Wilkinson (donated his time to teach and guide everyone on the night)
Bev Barendse – Sponsoring the champagne
Bamvino – champagne donation
Vicky Hensen – TPS OOSH sponsored the paints
Bunnings ERINA- \$150 voucher for paintbrushes

Mrs Long for providing additional paint
Brendan (GA) & Year 6 students who assisted with the hall set up
Junna for designing the flyers
Jo, Hannah & Simon for helping on the night.
Thank you to Mr Burgess and TPS executive for supporting our event.

Look out for our next event in 2021.

THANK YOU TO OUR SUPPORTERS

THE AGENCY

BAMVINO

SUMMER DRESSES

Due to COVID restrictions in Melbourne we have been unable to receive any summer dress stock for the past few months. **Unfortunately, we are now currently out of stock in size 6 & 8.**

Can we please ask for families to support the facebook page [TPS-Pre-loved Uniforms \(For Sale or for Free\)](#) and donate or sell any unwanted uniform items (specifically size 6 or 8 Summer dresses) they may have.

As soon as our new stock is available, we will update the newsletter and flexi-schools. We apologise for any inconvenience.

UNIFORM SHOP

THE UNIFORM SHOPFRONT IS TEMPORARILY CLOSED.

Due to current COVID restrictions we have closed the P&C uniform shop, however we are completing online orders.

HOW TO ORDER

OPTION 1

Go to www.flexischools.com.au or Download the APP, order uniform items online by Tues 5pm. Orders are completed every Wednesday morning during school terms and distributed to classroom (via teachers pigeon holes) for students to then bring home.

OPTION 2

Complete the uniform shop order form, available from front office or school website and return to school office with correct Cash or Credit Card details by Tuesday 3pm. Orders will be completed every Wednesday morning for teachers to distribute to students to bring home.

2021 – Kindergarten

HOW TO ORDER for 2021 Kindergarten

Due to current COVID restrictions we will be unable to provide a fitting service or open the uniform shop at this stage. To assist parents and families we have attached a size chart of the basic uniform items and a small range of sizes are on display in the school office.

Existing FAMILIES (Older siblings already at TPS)

We are encouraging kinder families to please order your **2021 Kinder students uniforms online at anytime during Term 4**. For families with older students at TPS please use your older students/child's class code in Flexi-Schools. This will make the order process simpler and efficient for everyone. Completed orders will be provided to your older student's class, for students to bring home. We will be completing our online (Flexi-schools order) as normal every week on a Wednesday during Term 4.

If items are the incorrect size, please leave the tags on. Return items to the office with Contact details, name and class and we will happily exchange for the correct size.

NEW TPS Kinder Families

We are encouraging kinder families to please order your **2021 Kinder students uniforms online at anytime during Term 4**. For families new to TPS please setup your child's Flexi-schools account and use the **class code KINDER 2021** in Flexi-Schools. This will make the order process simpler and efficient for everyone. We will be completing our online (Flexi-schools order) as normal every week (on a Wednesday) during Term 4 and will contact new families by phone or text to let you know when the order can be picked up from the office usually Wednesday after 10:30am & Thursday between 8:30am – 3:30pm.

If items are the incorrect size, please leave the tags on. Return items to the office with Contact details, name and class and we will happily exchange for the correct size.

Year 6 Students

Our boys grey shorts and long grey pants are suitable for Terrigal High School.

UNIFORMS

All garments are available in sizes 4,6,8,10,12,14,16.

Don't Forget to label all uniform items – especially HATS and JUMPERS.

Lost Property is located at the back of the school Hall.

NEW ITEMS -SOCKS

5 Pairs of Grey or White Socks for \$15

Available in sizes 9-12, 13-3 & 2-8

Summer Dress \$45
OUT OF STOCK SIZE 6 & 8

Polo Shirt (Unisex) \$22
Available in size 3

Grey Shorts (Girls) \$ 35

Grey Shorts (Boys) \$25
Available in size 3
SUITABLE for Terrigal High

Grey Long Pants (Boys) \$26
SUITABLE for Terrigal High

Jumper (Unisex) \$25

Jackets (Unisex) \$45

HATS \$10 (Sml, Med, Large)

School Bag \$40

Julie's Corner

Things to do on the days of December.

- 
- 
- 
- 
- 
- 
- 
- 
- 11 Leave a treat or a **thank you note** for delivery drivers.
 - 12 Tell a family member **you love them**.
 - 13 Write encouraging **sidewalk chalk messages** for your community to enjoy.
 - 14 **Make holiday cards** and mail them to a local nursing home.
 - 15 **Share something you care about** with someone you love.
 - 16 **Pick up litter** in your neighbourhood.
 - 17 Leave a nice note **complimenting someone's holiday decorations**.
 - 18 Look at yourself in the mirror and **tell yourself three things** you like about YOU.
 - 19 Make a point of **smiling at everyone** you see today.
 - 20 **Create a piece of art** and share it with someone you love.
 - 21 Call your grandparents (or an older relative) and ask them about their **favourite childhood memories**.
 - 22 **Plant** something.
 - 23 **Brighten your family's day** with a story, song, dance, poem, or other forms of entertainment.
 - 24 Tell a friend or family member **why they are special to you**.
 - 25 Give someone a **special handmade gift**.

- 
- 26 Learn something new today, then share it with a friend or family member.
- 27 Give a thank you note to someone who probably doesn't hear "thank you" often enough.
- 28 Notice five beautiful things, then tell someone about them.
- 29 Call a friend you haven't seen in a while to say hello.
- 30 Write kindness notes and leave them in library books or other places where people will find them.
- 31 Make treats or thank you cards to give to your local fire or police station.
- 

In  a world
WHERE YOU CAN be anything.
be Kind.

TERRIGAL PS SCHOOL BAND JOIN THE BAND!

Is your child interested in joining the school band?

The school band is now taking enrolments for 2021 and is open to all students currently in years 2-5.

No prior experience needed!

During Term 4 students will see a **band demonstration** at school that highlights the different instruments available for tuition. After this demonstration they will receive a green *Expression of Interest* note providing introductory information.

What do you need to do?

1. Carefully read the green *Expression of Interest* and then register your child's interest in joining the band online at <https://www.teachingservices.com.au/eoi>
2. Once you register online a TSA tutor will meet your child to help them assess which instrument they are most suited to**
3. The results of this instrument trial will be sent home with enrolment information

Learning an instrument in an ensemble is a great way to experience the social, educational and personal benefits that music and the arts have to offer! TSA provides a variety of tuition options as well as instrument hire and sales to help parents give the gift of music to their children.

TSA is a registered COVID-safe provider and delivers instrumental programs with a focus on inclusion, student engagement and well-being.

***Instrument trials will take place within strict COVID-safe guidelines and will include a basic aural and rhythm assessment among several other activities which measure your child's suitability for each instrument.*
