### **New Flexischools App**

Hopefully by now you've seen the new Flexischools app, released during the last school holidays.

On the new app, you need to scroll down for the canteen menus, which has the recess menu on the screen. You then need to swipe right to get to the lunch menu, if placing an order for lunch.

Please also note, the lunch and recess services require separate orders. This gives each order a bag to place their food into. However, when you are placing an order, you can go back to the list of categories within the service you have chosen (eg. Hot food, drinks, daily specials, etc) to order something else – you do not need to place a separate order for each different food item, within the same service (Recess or lunch).

**We would still love an extra couple of helpers once a month –** please let me know if you are available, or if a grandparent could help out. Otherwise, if you can help out but not on a schedule, just let me know if you're available any of the days that we have **Helper needed** on our canteen roster here. Thank you!

**Please remember, if you have any questions about the canteen, including ingredients, feedback or to discuss volunteering, you can contact me at the canteen from 8am-2pm Monday to Friday, or on my mobile 0414 855 629. Thanks, Lyn**

Fines of up to \$275 and three demerit points can apply if a motorist is caught going more than 40km/hr when passing a bus with its flashing lights on. Motorists can help reduce the risk of a crash and keep children safe by:

Motorists can help keep children safe by:

- Slowing down to 40km/h when bus lights are flashing
- Lights flash on buses to warn motorists that buses are picking up and dropping off children.
- Looking out for children crossing the road near bus stops, in school zones or along bus routes
- You must not overtake or pass a bus with flashing lights at more than 40km/h.
- Giving way to buses when they merge back into traffic.

**Can you volunteer? - We need your help with the School Banking program!**

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator/s to facilitate the banking and distribution of School Banking rewards. The School Banking is processed at the same time each week and will only takes a small amount of your time .The Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Tuesday. This can be changed to suit.

If you are interested in volunteering for this great program, please leave your details with the admin I
