PRINCIPAL'S REPORT

Remembrance Day

Tomorrow, on the 11th day of the 11th Month and at the 11th hour (or as close as we can organise) our Terrigal school community will pause to remember the brave men and women who have served, and continue to serve our country during times of war, conflict and peace. Thank you to Mr Damien Thomlinson from the Terrigal Wamberal RSL who will address the assembly and share his personal recollection and reflection of serving our country.

Parliament Speeches

On Wednesday, I had the privilege of listening to all of the Year 5 students give their parliament speeches to our students, staff and parents. Each student delivered a well-planned, vibrant speech with valid reasons why they should be elected as part of the Terrigal Public School student leadership team. I was so impressed with the quality of their outstanding public speaking skills, preparation and the engaging manner in which their messages were presented. Best of luck to all of the participants. The 2023 Parliament members will be announced at our presentation day on Monday 12th December.

Kinder Orientation

Over the next few weeks, we welcome our 2023 Kinder students to Terrigal Public School while they take part in the Terrigal Treasures transition program. We are looking forward to getting to know our new students, our new families and welcoming our existing families back as another family member starts their journey at TPS.

Year 6 Sausage Sizzle

Tomorrow, the 11th of November, Year 6 will be hosting a sausage sizzle to raise money for the Year 6 Farewell and their gift to the school. Thank you to all who have placed orders.

Class Formation for 2023

Next week, our Kindergarten to Year 5 students will be asked to identify other students that they work well with. This information will be used during the class formation process. We do our very best to take these student requests into consideration and put them with at least one person from their list, but we cannot guarantee it. Class formation in a school of our size is a very complex process as we strive to balance the needs of all students. Please be assured that we put a great deal of time and thought into this process in order to do our very best to structure positive and supportive class groupings for our students

Requests for 2023

We will start our class planning for 2023 within the next couple of weeks.

In forming classes, teachers seek to balance classes so they work effectively.

If you feel your child has particular social needs you would like taken into consideration when forming classes, you are invited to write to the Principal outlining those needs. Whilst those needs will be taken into consideration, they may not be met as there are many factors that influence class placement.

- Requests must be in writing addressed to the Principal.
- Requests must be received by **Friday 18th November**. Requests received after this date will not be considered.
- A new request needs to be provided even if you made requests in previous years (as things can change over time).

Please note: Requests to have or not to have a particular teacher will not be considered.

Terrigal United Football Club W12A Superstars

Congratulations to Kiani, Nellie, Eva, Kit and Kate who are members of the W12A Terrigal United Football Team, who secured the regional premiership. They then advanced to the Champion of Champions knockout competition and made it to the grand final at Valentine Sports Park. While they were not victorious on the day, it was a major achievement to make it to the grand final. This was their first loss of the entire season as they were undefeated throughout the competition. They are now considered the second best team for their age group in the state - this is an outstanding achievement.

Their coach, Alex Powell, organised professional soccer player, Sam Kerr, to send the girls a video message before the match which was greatly appreciated by the players.

We are so proud of our Terrigal girls and wish them well in their future sporting careers. The link below will take you to an article written about them in the Coast Community online Newspaper.

Sandy Knowles

Deputy Principal

Is your child/ren leaving our school and not returning next year? (excluding Year 6)

If so, could you please notify the office as soon as possible as we are beginning the process of planning our classes for next year.

Early information is always helpful in this planning.

Thank you

Kindergarten 2023

Enrolments are now being taken for students starting Kindergarten in 2023.
Enrolments can be made online

To ensure that all relevant information can be sent to enrolling families, we are hoping that all enrolment documentation can be returned to the office by the end of July.

ADMINISTRATION CORNER

Invoices and Payment Options

Reminder invoices for book packs and Stephanie Alexander Kitchen/Garden program have been sent home via your child's class. You are more than welcome to pay off any invoices in instalments, especially if you are paying for more than one student.

The parent online payment option is our school's preferred payment option.

To process online payments, just go to the Terrigal PS website www.terrigan-p.schools.nsw.edu.au and follow the 'Make A Payment' link. Other payment options are cash or Eftpos payments through the office. ***Please note, we cannot accept payments over the phone anymore.***

You may wonder why we prefer online payments. A report is printed out each morning. From that report we can see exactly which parent paid for what, there is no handling of cash, and refunds are processed a lot quicker.

Did you know you can make multiple payments for the one child in the one transaction? You can also pay for more than one child in one transaction. Just put the second or third child through 'Other'.

If you have any questions regarding payments, payment options or anything else, please give me a call on 4384-4599.

Volunteers

We would love some extra help on Mondays, Wednesdays and Fridays.

We are looking at people that can just give us an hour or two on these days, in the morning from 9am.

This is the time we get deliveries, our online orders are printed out and labels need to be stuck on bags, and we start to prepare what has been ordered for the day.

Just an hour once a month would be very much appreciated, and you stay longer if you want to, to see your little ones at recess time.

Please let me know if you can do this one time before the end of the year, or if you might be available next year to volunteer with the canteen. We love our volunteers, and we appreciate you so very much! 😊

We also post reminders on here about special days or special offers we have so you can keep up to date and know what's happening in your school's canteen!
