PRINCIPAL'S REPORT

Remembrance Day Ceremony

Thank you to those parents and carers who attended the Remembrance Day Ceremony held last Friday on the 11th November 2022. The respect shown by the students at the assembly was outstanding. We are very grateful to Mr Damien Thomlinson, ex-commander from the Australian Armed Forces (also an ex-student from Terrigal Public School) who joined us and addressed the assembly on this special occasion.

Kindergarten Orientation

This week has been the first visit for our 2023 Kindergarten Students. It was so lovely to see all the students happily engaged in the classroom and enjoying the fun activities the Kindergarten team had organised. A very warm welcome to our new families and welcome back to the parents and carers who have already experienced our program. We look forward to

seeing our 2023 Kindy students over the coming weeks.

Toys from home

We strongly discourage students bringing any toys to school due to the risk of loss and/or damage. It is especially important to not allow your child to bring any toys that replicate any sort of weapon including knives, guns or swords. Although they may not be dangerous, they can be perceived as a threat to others.

Debating

A huge congratulations to the Terrigal Tigers who finished 3rd at the state-wide Premier Debating Championship. A competition that started with 872 teams resulted in a three-day debating camp where the 10 regional winners battled against each other. After two days of top-level debating the Tigers qualified for the semi-finals. After a really tough debate they unfortunately lost. They ranked 3rd overall. This was a truly

amazing effort, and the Tigers team of Lilly, Charlie, Isla, Kit and Micayla should be extremely proud of themselves. Well done girls! Go Tigers! Thank you also to our amazing Mr Ridley who supported and coached our Tigers.

Cricket

On Tuesday our PSSA boys cricket team competed against Warrawee Public School in the Sydney North semi-final. The boys batted first and set a very competitive total of 98, skipper Jordy leading the way with 40 not out. The boys then bowled and fielded exceptionally well, but unfortunately just fell short as Warrawee passed our total with a few overs to spare. Congratulations to all the boys on their achievements this year! Thank you to Mr Bridge for coaching our cricket team and organising the boys throughout the competition.

Presentation Day

Presentation Day will be held on Monday 12th December at 9am. Please schedule in your calendar if you would like to attend.

Class Formation for 2023

Next week, our Kindergarten to Year 5 students will be asked to identify other students that they work well with. This information will be used during the class formation process. We do our very best to take these student requests into consideration and put them with at least one person from their list, but we cannot guarantee it. Class formation in a school of our size is a very complex process as we strive to balance the needs of all students. Please be assured that we put a great deal of time and thought into this process in order to do our very best to structure positive and supportive class groupings for our students

Requests for 2023

We will start our class planning for 2023 within the next couple of weeks. In forming classes, teachers seek to balance classes so they work effectively. If you feel your child has particular social needs you would like taken into consideration when forming classes, you are invited to write to the Principal outlining those needs. Whilst those needs will be taken into consideration, they may not be met as there are many factors that influence class placement.

- Requests must be in writing addressed to the Principal.
- Requests must be received by **Friday 18th November**. Requests received after this date will not be considered.
- A new request needs to be provided even if you made requests in previous years (as things can change over time).

Please note: Requests to have or not to have a particular teacher will not be considered.

Sandy Knowles

Deputy Principal

Is your child/ren leaving our school and not returning next year? (excluding Year 6)

If so, could you please notify the office as soon as possible as we are beginning the process of planning our classes for next year.

Early information is always helpful in this planning.

Thank you

Kindergarten 2023

Enrolments are now being taken for students starting Kindergarten in 2023.
Enrolments can be made online

To ensure that all relevant information can be sent to enrolling families, we are hoping that all enrolment documentation can be returned to the office by the end of July.

ADMINISTRATION CORNER

Invoices and Payment Options

Reminder invoices for book packs and Stephanie Alexander Kitchen/Garden program have been sent home via your child's class. You are more than welcome to pay off any invoices in instalments, especially if you are paying for more than one student.

The parent online payment option is our school's preferred payment option.

To process online payments, just go to the Terrigal PS website www.terrigan-p.schools.nsw.edu.au and follow the 'Make A Payment' link. Other payment options are cash or Eftpos payments through the office. ***Please note, we cannot accept payments over the phone anymore.***

You may wonder why we prefer online payments. A report is printed out each morning. From that report we can see exactly which parent paid for what, there is no handling of cash, and refunds are processed a lot quicker.

Did you know you can make multiple payments for the one child in the one transaction? You can also pay for more than one child in one transaction. Just put the second or third child through 'Other'.

If you have any questions regarding payments, payment options or anything else, please give me a call on 4384-4599.
