IMPORTANT DATES COMING UP

NAPLAN Yr 3 & Yr 5 Tuesday 10th – Friday 13th

PRINCIPAL'S REPORT

Thank you to everyone for your co-operation during the industrial action yesterday. The staff appreciate your support.

Staffing

This week we have really struggled to cover all of our classes. Unfortunately, we have a large number of teachers off this week unwell. There have been times when we have need to combine classes or split classes. We have also been utilising all of our additional staff, taking them off their normal programs to take classes.

NAPLAN

Next week students in Years 3 and 5 will sit their NAPLAN assessments in reading, grammar and punctuation, spelling, writing and numeracy.
All assessments will be undertaken online at school.

Support Unit Athletics

Tomorrow our senior support unit class is off to try out some modified athletics activities at Adcock. We wish them well.

P & C

Our next P & C meeting will be held on Monday 9th May at 7.00pm. This meeting will be held face to face in the school staffroom.

Mothers' Day Stall

Thank you to the P & C and their team of volunteers for running the Mothers' Day Stall this week.
I hope that all of our mothers and all those that fill that role have a great day on Sunday. Thank you for all that you do.

Futsal

On Monday our U12's boys and girls Futsal teams attended the schools' regional championships at Niagara Park Stadium. The boys won all of their pool games and were unlucky, in the semi, to go down by one point coming away with as a bronze medal as a result. The girls did well in their pool games and then played in the grand final and came away as runners up for the day with a silver medal. The girls' team will now attend state championships in June.

Thank you to Mrs McCann and Mrs Copper-Remington for coaching the teams. Thank you to both teams for their impeccable behaviour and sportsmanship. Thank you to parents for their support and transporting students. Well done team Terrigal.

End of Ramadan

Best wishes to our families who finished Ramadan this week. I know it has been a very important month for you and I hope you enjoyed the finishing feast.

Opportunity Classes for Year 5 2023

Applications for Year 5 entry to an opportunity class in 2023 open on Tuesday 26 April and close at 11.59 pm on Friday 13 May.
To apply, go to the online application for opportunity class placement and follow the instructions.
Application process link- https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5/application-process
Parents and carers must apply by the due date as late applications cannot be accepted.

Parents should read 'Applying for Year 5 entry to an opportunity class' before applying, please access it via this link - https://schoolsequella.det.nsw.edu.au/file/49795d1c-b339-43e9-aa48-02e496d165f1/1/oc-applicpack.pdf

Influenza A

We have had confirmed cases of Influenza A at school. Please be aware of the symptoms of Influenza: fever, chills, coughing, sore throat, runny/stuffy nose, muscle aches, joint pains, headaches and fatigue (feeling very tired), nausea, vomiting and diarrhoea. Students need to stay at home if they are unwell. Thank you to our school community for your ongoing support with this. NSW Health recommends waiting 24 hours after the fever resolves before resuming normal activities with others so that it is unlikely that the person who has been sick will infect other people.
For further information, please refer to the NSW Health Fact Sheet: https://www.health.nsw.gov.au/Infectious/factsheets/Factsheets/influenza.PDF

In Case of Illness…

We often have students with a canteen order unable to collect their order due to illness. Here's what we can do if this happens when you have placed an order for a canteen recess or lunch.

If you know early that your child will not be at school, please let us know in the canteen as soon as possible. If this is before 10am, we can hold your child's order for another day, when they are back at school.

If it is later than this, we may be able to hold the order (for example, if we have not prepared the order yet, or if we can hold onto the order for the next day – something that will keep safely until then).

If we have already prepared your child's order, you can collect it from us before you leave the school with your child, or if you're willing to come to the school to collect it. Sometimes this might mean you need to finish cooking the item at home, if it isn't fully cooked when you are leaving.

Even if you cannot collect your order, we can always hold the cold drinks or frozen items for another day, if you let us know. If we are unaware of your child being away, the full order will go to your child's class.

You can also cancel your order before 9am on the day it is ordered for. If you are aware that your child is unwell early in the morning, you can cancel on Flexischools directly.

In any case, please let us know if your child is away, and we can generally work something out for you. We don't want them to miss out on their orders! 😊

Volunteers in Term 2

We can now have volunteers in the canteen each day again!

If you can volunteer, even for just an hour to help serve the kids at recess or lunch, please let me know. We only roster our volunteers one day every four weeks, or whatever works for you – once a term or just on a day you are available; so if you or a grandparent would like to help out, please get in contact with Lyn to discuss.

Next P&C Meeting

Term 2 Week 3 Meeting	Monday 9 May 2022 7pm

Everyone in our school community is welcome to join us at our next meeting on Monday 9 May 2022 at 7pm. After a long time of holding virtual meetings, this meeting will occur face to face in the old staff room building! We look forward to seeing new and old faces there!

P&C MEMBERSHIP

If you would like to join the P&C for 2022 it is easy as 1,2,3.

To make life easy we have setup P&C membership through FlexiSchools.

Worried Thoughts

Noticing our thinking mistakes

The **Danger Checkers in our brain make worried thoughts.** But our worried thoughts are not always 100% accurate.
Instead, worried thoughts are full of THINKING MISTAKES.

There are four kinds of thinking mistakes to look out for.
1. Future predicting – this is when we think we know for sure what is going to happen in the future. But we can never know for sure what is going to happen.
2. Mind Reading – this is when we think we know for sure what people are thinking. This is a mistake because we can't read people's minds.
3. Catastrophising. This is when we think something unpleasant is TERRIBLE or a CATASTROPHE. This is a mistake because these things are often not as bad as that.
4. Ignoring the Positive. This is when we ignore the good things around us. This is a mistake because there are often good things around us.

Everyone makes thinking mistakes when they are worried. Getting good at noticing what they are and when we make them – can help us feel a bit calmer..

Road safety

Wearing helmets and riding safely

Wearing helmets

Your child must wear a helmet when riding a bike in any public place – it's the law. The helmet must comply with the Australian and New Zealand standards and needs to be securely fitted and fastened on your child's head. It should be buckled firmly so it fits without wobbling or slipping to the sides.

Always remember to check that your child is wearing a helmet whenever they're playing or riding on wheels –

- Bikes
- Foot scooters
- Rollerskates
- Skateboards
- Rollerblades.

Riding safely

Although children quickly learn to pedal, steer and brake, they aren't ready to cycle near traffic or on the road. Until they are at least 10 years old, your child should ride off-road away from vehicles and driveways.

The safest places to ride bikes, scooters and skateboards are within fenced areas. This helps your child from riding or falling onto the footpath or the road. Children under **16** and their accompanying supervising adult riders may ride on the footpath, unless there are signs specifically prohibiting cycling. Riders need to take special care at driveways where vehicles may be driving in or out.

At intersections, riders must dismount and wheel the bicycle across the road as a pedestrian, following the **STOP! LOOK! LISTEN! THINK!** procedure.

For more information on keeping our kids safe around schools visit the **families** section on **safetytown.com.au**

Messages to share with your children in Kindergarten to Year 4

- Always wear a helmet when you ride or skate
- Ride your bike away from the roads

Messages to share with your children in Years 5 and 6

- Always wear a helmet when you ride or skate
- Ride your bike away from busy roads
