PRINCIPAL'S REPORT

Vale Ray MacLachlan

Mr Ray MacLachlan has been a part of this school for many years, as a community volunteer. He spent a great deal of time helping students and teachers in our Support Unit and in other classrooms. Ray shared his talents as an artist with students, leading lessons to build skill and knowledge. Unfortunately, COVID stopped Ray's work in our school but many older students will remember his contributions.

Ray passed away last week. I was honoured to attend his funeral with our senior student leaders and other staff to acknowledge Ray's contribution to our school.

Anxiety Presentation

We have organised Michael Hawton to speak to our school on ways to reduce anxiety and build resilience. Michael is an internationally recognised author and presenter. He regularly presents courses to parents and teachers.

- Thursday 9th March, 2023
- 5.30 – 7.00pm
- Terrigal School Hall

Election Democracy Sausage

The P & C will be holding a BBQ on the State Election day (Saturday 25th March). So, plan to come down to the school to vote and grab a democracy sausage. The P & C will be looking for volunteers to help out on the day with cooking and serving. You only need to commit to an hour (but you can do more). Look out for more details in the coming weeks.

Canteen Volunteers

We need more volunteers to help in our canteen. It is a great way to contribute to our school. Contact Lyn in the canteen if you can help out.

Thank you to all of our current canteen volunteers.

Parent Managed Social Media Pages

A number of parents have set up Facebook or other social media pages in an effort to build connections between class families.

As these are not official/endorsed school pages there are a few reminders to parents setting up these pages:

- You may **not** use the school logo/emblem on your page.
- You may **not** use 'Terrigal Public School' as part of the title.
- You must pin to the top of the page a statement that your page is **not** an official school page and is **not** endorsed by the school.
- Please respect the privacy of families, students and staff. Photos, names and information **should not be posted** without the expressed permission of the people involved.

The other reminder, to the administrators of these pages, is that you are legally responsible for all content that is posted on the page.

Police Legacy Child Safety Handbook

Each year the Police Legacy organisation produces a child safety handbook. The handbook covers a range of safety topics for parents to review and perhaps discuss with their child.

The book is now produced on line and is available using the link below.

Band

Our band is up and running. Band sessions are held on Tuesdays.

It is not too late to sign up. Contact the school office.

Kuriwa Aboriginal Education Consultative Group (AECG)

Our Aboriginal parents/carers are welcome to attend the Kuriwa AECG meeting next Monday at Bateau Bay Public School commencing at 5pm.

NAPLAN Information for Parents of Year 3 and 5 students

Year 3 and Year 5 students will be involved in NAPLAN this term. Please read the brochure attached to this week's newsletter for detailed information about NAPLAN for 2023 - please note that NAPLAN takes place at an earlier date this year. The NAPLAN test window starts on Wednesday 15 March and finishes on Monday 27 March 2023

School Swimming Carnival

Our school swimming carnival is coming up on Tuesday 21st February. Information and note was sent home last week and can be found on our school website [https://terrigan-p.schools.nsw.gov.au/content/dam/doi/sws/schools/t/terrigan-p/notes-and-forms/whole-school-note/Terrigan_PS_Swimming_Carnival.pdf](https://terrigan.p.schools.nsw.gov.au/content/dam/doi/sws/schools/t/terrigan-p/notes-and-forms/whole-school-note/Terrigan_PS_Swimming_Carnival.pdf)

Good luck to our swimmers and to our house leaders.

PARENT INFORMATION EVENING 2023 (Reminder)

Use of Closed-Circuit TV Cameras

Our school utilises a range of security strategies for the safety and security of students, families, staff and facilities. Closed-circuit television cameras are one of those strategies.

Our closed-circuit television surveillance cameras are located around the administration building and cover the Havenview entrance, the staff carpark, the area between administration and the canteen, and the area between the lower Kindergarten classrooms.

The surveillance is ongoing. Images are recorded to a server located on the school premises and cannot be accessed externally. Recorded footage may be provided to appropriate authorities as outlined below.

CCTV footage is collected for the purpose of:

- Deterring the commission of unlawful activity on the school premises
- Investigating any allegation or reasonable suspicion of unlawful activity on school premises
- Taking criminal, civil or disciplinary action in relation to any allegation or reasonable suspicion of unlawful; activity on school premises
- Protecting the safety of other people on school premises, including parents, carers and members of the school community.

The CCTV footage is being collected at Terrigan Public School, Havenview Rd Terrigan NSW 2260. The footage will be held by the school or other unit of the Department of Education.

The footage may be disclosed to any person undertaking an investigation or taking civil or disciplinary action on behalf of the Department of Education, or to a court, in relation to any allegations of, or reasonable suspicion of unlawful activity on school premises.

The footage may be provided to the police or other enforcement agency for the purpose of investigating criminal behaviour, and prosecution.

Any individual whose personal information is included in any CCTV footage recorded at the school may apply for access to that footage.

Next P&C Meeting

Term 1 Week 8 Meeting	Monday 13 March 2023
-----------------------	----------------------

Everyone in our school community is welcome to join us at our next meeting on Monday 13 March 2023 at 7pm in the old staff room (building opposite the school hall). We are a very friendly bunch and we would love to see some new faces at our next meeting (even if you just want to come once to see what we do).

The P&C Committee meets twice a term in Week 3 and Week 8.

Our next meeting will be our **AGM**. During which all positions on the committee will be declared vacant and a new committee will be nominated and voted in.

We encourage anyone who is interested in a committee role to contact the P&C. Further information on the P&C Committee roles and AGM process are available at www.pandc.org.au/faqs/.

A standard general meeting will follow the AGM, we encourage all interested parents to join us.

The following positions will be declared vacant at the meeting.

President	Canteen Sub-committee Chair
Vice President x 2	Canteen Sub-committee Members

How orders work

Here's a run down of how orders work in the canteen.

- Placing orders

You can place an order for recess and/or lunch in a couple of different ways. You can **order online** on Flexischools, or **over the counter** before school with either cash or an EFTPOS card. If you miss the cut off for Flexischools (9am on the morning you are placing the order for), you can ring us through the school and we will sort something out over the phone for you.

- Receiving orders

Recess and lunch orders are picked up by the **class lunch monitors**. Lunch orders are picked up in the classes **lunch tub**. Hot items are placed in separate bags from cold items for lunch orders, and both bags will be in the lunch tub. For recess, the whole order is placed in the one bag.

- Following up

If something goes wrong, and the order has not been placed, or perhaps placed for another day, please tell your child to **come to the canteen first**. We will check our list of orders for the day, and see what has happened. If there is no order, we will get the child to go to the office where they will call a parent or caregiver to see what you would like us to do. This usually happens at lunch time, and we may be unable to cook extra food at that time, however we can always make a sandwich or offer you other options.

We will always make sure no-one goes without food, and even if we're unable to contact you, we will provide a standard 'emergency' recess and/or lunch in good faith. We will let you know that we have done this and let you know how much it came to, by sending a note home in your child's bag.

If you ever have any questions, please feel free to contact us here in the canteen!

Anxiety COACH

Anxiety Coach™ Parent Seminar

REDUCE ANXIETY AND BUILD RESILIENCE IN CHILDREN AGED 2-12 YEARS.

PARENT SEMINAR

At this seminar you will get an overview of:

- Anxiety basics - ground-level understanding of how anxiety develops and functions.
- A greater understanding of the problem of increasing levels of anxiety in children and some strategies for its treatment.
- Some of the modest skills which can be applied to anxious thinking and anxious behaviour to help a child to develop more adaptive ways to cope with adversity.

- Very insightful course. I love how it combines scientific evidence with practical guidelines. It will help me with my own anxiety as well as coaching the kids. Thank you!. **ELIZA, MUM.**
- The training was incredibly useful and eye opening. I can apply the knowledge and skills I have learnt immediately into my everyday teaching. This course has equipped me with the background information and confidence to tackle some tricky issues and have some difficult conversations. **NATASHA, MAJURA PRIMARY SCHOOL**
- A great framework for explaining anxiety in kids and empowering parents with the skills to manage it.

NAPLAN Information for parents and carers

2023

Why do students do NAPLAN?

NAPLAN is a national literacy and numeracy assessment that students in Years 3, 5, 7 and 9 sit each year. It is the only national assessment all Australian students have the opportunity to undertake.

As students progress through their school years, it's important to check how well they are learning the essential skills of reading, writing and numeracy.

NAPLAN assesses the literacy and numeracy skills that students are learning through the school curriculum and allows parents/carers to see how their child is progressing against national standards and over time.

NAPLAN is just one aspect of a school's assessment and reporting process. It doesn't replace ongoing assessments made by teachers about student performance, but it can provide teachers with additional information about students' educational progress.

NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy.

Your child will do the NAPLAN tests online

Schools have transitioned from paper-based to computer-based assessments. All Year 3 students will continue to complete the writing assessment on paper.

Online NAPLAN tests provide more precise results and are more engaging for students. One of the main benefits is tailored (or adaptive) testing, where the test presents questions which may be more or less difficult depending on a student's responses.

Tailored testing allows a wider range of student abilities to be assessed and measures student achievement more precisely. A student's overall NAPLAN result is based on both the number and complexity of questions they answer correctly. Your child should not be concerned if they find questions challenging; they may be taking a more complex test pathway.

What does NAPLAN assess?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum.

Students sit assessments in writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy. The questions assess content linked to the Australian Curriculum: English and Mathematics.

All government and non-government education authorities contribute to the development of NAPLAN test materials.

To find out more about NAPLAN, visit nap.edu.au.

Participation in NAPLAN

NAPLAN is for everyone. ACARA supports inclusive testing so all students have the opportunity to participate in the national assessment program.

Adjustments are available for students with disability who have diverse functional abilities and needs.

Schools should work with parents/carers and students to identify, on a case-by-case basis, reasonable adjustments required for individual students with disability to access NAPLAN. Adjustments should reflect the support normally provided for classroom assessments.

To help inform these decisions, you may consult the [NAPLAN public demonstration site](#), the [Guide for schools to assist students with disability to access NAPLAN](#), or our [series of videos](#) where parents/carers, teachers and students share their experiences in using NAPLAN adjustments.

In exceptional circumstances, a student with a disability that severely limits their capacity to participate in the assessment, or a student who has recently arrived in Australia and has a non-English speaking background, may be granted a formal exemption.

Your school principal and your local test administration authority can give you more information on adjustments for students with disability or the process required to gain a formal exemption.

What if my child is absent from school on NAPLAN days?

Where possible, schools may arrange for individual students who are absent at the time of testing to complete missed tests at another time during the school's test schedule.

What if my school is closed on NAPLAN days?

Schools with compelling reasons may be given permission to schedule tests after the 9-day test window.

What can I do to support my child?

Students are not expected to study for NAPLAN. You can support your child by reassuring them that NAPLAN is a part of their school program and reminding them to simply do their best. Some familiarisation and explanation of NAPLAN is useful to help students understand and be comfortable with the format of the tests. Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance.

ACARA does not recommend excessive preparation for NAPLAN or the use of services by coaching providers.

See the types of questions and tools available in the online NAPLAN assessments at nap.edu.au/online-assessment/public-demonstration-site.

NAPLAN timetable

The NAPLAN test window is 9 days. This is to accommodate schools that may have fewer devices.

The NAPLAN test window starts on Wednesday 15 March and finishes on Monday 27 March 2023. Schools are advised to schedule the tests as soon as possible within the testing window, prioritising the first week.

How is my child's performance reported?

Individual student performance is shown on a national achievement scale for each assessment. This scale indicates whether the student is meeting expectations for the literacy and numeracy skills needed to participate fully in that year level.

A NAPLAN individual student report will be provided by your child's school later in the year. If you do not receive a report, you should contact your child's school.

How are NAPLAN results used?

- Students and parents/carers may use individual results to discuss progress with teachers.
- Teachers use results to help identify students who need greater challenges or extra support.
- Schools use results to identify strengths and areas of need to improve teaching programs, and to set goals in literacy and numeracy.
- School systems use results to review the effectiveness of programs and support offered to schools.
- The community can see information about the performance of schools over time at myschool.edu.au.

Where can I get more information?

For more information about NAPLAN:

- contact your child's school
- contact your local test administration authority at nap.edu.au/TAA
- visit nap.edu.au

To learn how ACARA handles personal information for NAPLAN, visit nap.edu.au/naplan/privacy.
