Dear Parents and Caregivers,

This year, all Stage 1 students will receive a resource pack containing: scrap books (History/Geography/Science), exercise books (Maths, Writing, Spelling, Journal, Handwriting), lead and colour pencils, glue sticks, an eraser, whiteboard markers and a write & wipe sleeve. Stage 1 students will have access to online resources in the classroom. For Home Reading, students will also have access to the Decodable Readers Australia Online Library subscription this year. A separate note about using the Decodable Readers Australia Online Library at home will go home shortly.

The cost of the resource pack is **\$50.00** per student. Payments should be made via the school website or the front office. Online payments are preferred. If you have any difficulty paying for the resource pack, please contact the front office to arrange deferred or weekly payments. All students in Stage 1 will be using these resources in the classroom.

Thank you for your co-operation.
