### Stage 2 Resource Pack

Dear Parents and Caregivers,

This year, all Stage 2 students will receive a resource pack containing a spelling textbook, mathematics textbook, exercise books, glue stick, two lead pencils, two display folders, eraser, sharpener and ruler. They will also have an online subscription to *Essential Assessment* that will be used to support our mathematics teaching and assessment program. Students will also have access to *Soundwaves Online* that will be used to support our spelling program. Students will be given their unique login details for these programs.

The cost of the resource pack is **\$50.00** per student. Payments can be made online via the school website or the front office. Online payments are preferred. If you have any difficulty paying for the resource pack, please contact the front office to arrange deferred or weekly payments. All students in Stage 2 will be using these books and equipment in the classroom.

Thank you for your co-operation.

Mitch Meldrum  
Stage 2 Assistant Principal
