Dear Parents and Caregivers of Year 6 Students,

It is an exciting time as our Year 6 students enter their last few weeks of their primary years of schooling.

It is important, at this time of year, that all of our Year 6 students maintain the high level of conduct they have demonstrated this year, and indeed throughout their schooling.

This year has seen the return of a number of activities and events that have been denied our Year 6 students in recent years due to Covid-19. We are so pleased to be able to reinstate some of these events to celebrate the end of seven years of primary school for our students. These events include the Year 6 Farewell, the End of Year Outing (Hoyts Cinema/Haven Games) and a Stage 3 Fundraiser (specific details TBC).

Participation in these activities requires students to demonstrate that they are able to manage their own appropriate behaviour and maintain respect for their fellow students and school staff. Students that are unable to meet these expectations may be excluded from these events.

To help avoid the disappointment of missing out on these events I encourage parents and carers to talk to their child, to ensure they are aware of the consequences of inappropriate behaviour.
