Treasurer's report presented by Nic Hilder	Current Account status Canteen – \$70,520 Uniform Shop – \$64,744 High Interest - \$25,000
Regional P&C report	Nil to report
Canteen Subcommittee report by	Lyn absent Job Keeper will end for the staff of the canteen on the 30 th Sept as sales decline is not enough to meet criteria. No Cash sales still.
Principal's report By Michael Burgess	Covid testing is proving challenging. Teachers finding it difficult to get Covid testing in a timely manner and increased relief teachers required. EV Church testing has had a good turnaround on results. In the event that the school needs to be shut down the P&C will be notified along with the parents. Kindy orientation is going to be difficult this year, looking to do virtual tours and implement new way's of doing. Year 6 / Year 7 Transition at this point will not be proceeding as per normal, a decision will hopefully be made at the end of term 3. The surveys have been issued, 30 received back to date. Hoping to get a couple of hundred returned from the school community. The Education Minister is officially opening the school tomorrow, the school will hold a virtual assembly for the students to attend.

Uniform Shop report presented by Trish Payne	All going ok, we will need to consider stock and helpers and how we can best provide service to new families whilst still meeting COVID restrictions.
Masterplan committee report	12 classrooms are currently having upgrade works completed. Currently obtaining quotes for the upgrade of the top playground, hoping to potentially receive a grant towards the costs regardless we will need to move forward with appointing contractors soon in order to get works completed over the Xmas School holidays.
Events Committee	All disco monies have now been refunded. Many thanks to all the families for their donations towards the wellbeing room.
